

# MANUFACTURING

---

## scope of work

**Branding & Identity:** Supported brand development with consistent visual and written materials.

**Publications & Copywriting:** Produced publications, marketing collateral, and written content tailored to the industry.

**Photography:** Created professional photography to showcase products and capabilities while respecting confidentiality requirements.

**Social Media Management:** Planned, wrote, and managed content to maintain brand presence online.

**Confidential Compliance:** Operated under strict confidentiality guidelines, as Holliston produces specialized cloth for U.S. Passports.

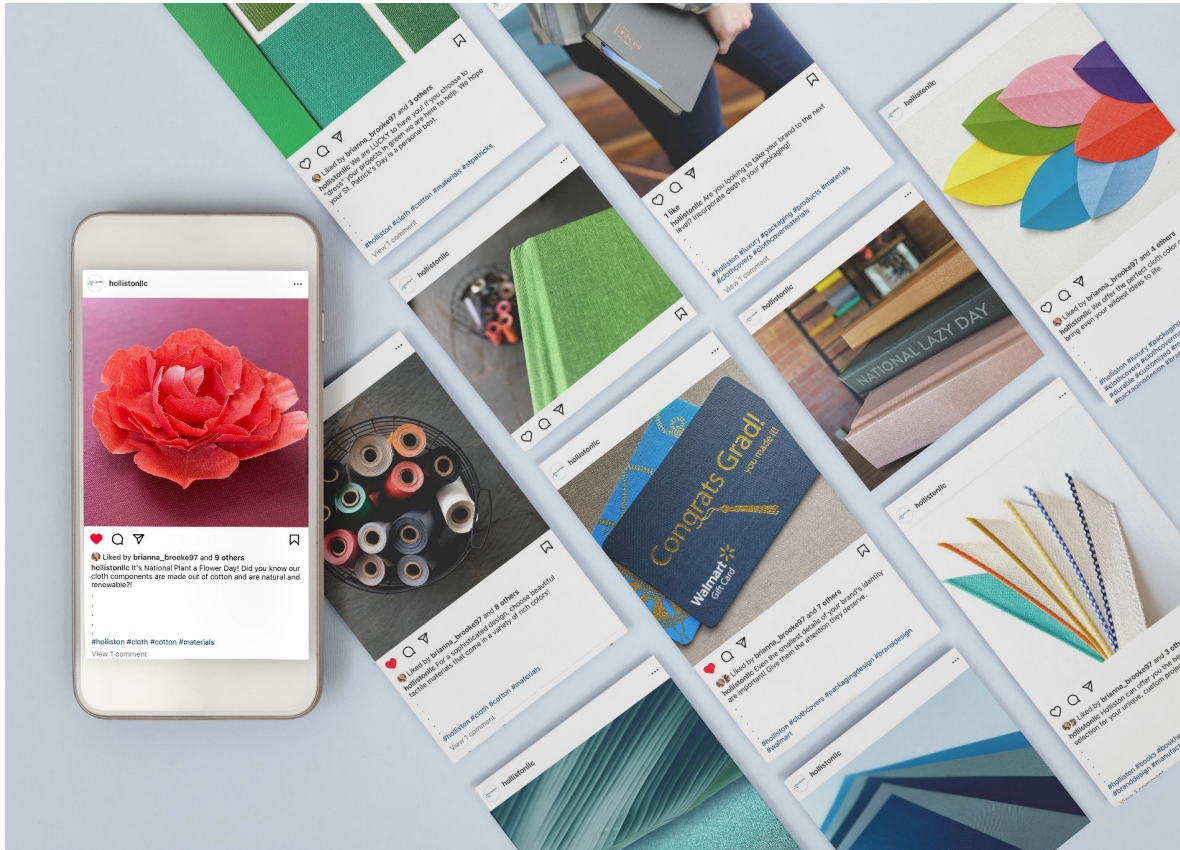

**Research & Trade Shows:** Researched markets and competitors, prepared materials, and managed trade show presence to promote products and generate leads.
